

Kansas 4-H Dress Guideline

(Effective for all events beginning in January 2015)

The Kansas 4-H program is committed to providing events and activities for youth that create a positive educational environment. As in these environments, where guidelines related to dress and grooming are maintained, the Kansas 4-H program has developed its own for all participants and chaperones to follow. Essentially, proper dress and grooming for an occasion is a matter of exercising good judgment. Dressing well for professional occasions is a skill that delegates should gain knowledge of and value its significance. The purpose of the Kansas 4-H Dress Guidelines is to reinforce a fundamental real-world truth. It is hoped that adult chaperones and volunteers encourage this important lesson.
