Creating a Positive Experience at the Harper County Fair

County Fair season is here. The judging process is a vital part of the county fair educational experience and the evaluation of an exhibit should be positive.

County fairs are community get-togethers that provide great opportunities for teaching youth responsibilities and decision-making skills. It also provides an opportunity for the general public to learn and gain a new respect for the many projects exhibited. It is an exciting and fun time of the year.

Let us remember that exhibiting at the county fair is a learning experience for everyone. The cliché says "not everyone can win". The learning comes from the entire experience from practicing and preparation of the exhibit at home, to showing the exhibit at the fair - not just the first place ribbon.

Exhibiting good sportsmanship is not just for youth, it applies to all exhibitors, parents, grandparents, volunteers, teen leaders, fair supporters, spectators and everyone involved.

Teach your child sportsmanship. Require him/her to demonstrate sportsmanship before, during and following competitive activities.

Encourage them to:

• Learn and follow rules, be honest, fair, and straightforward in everything they say and do

• Be well mannered and show respect - treat people, animals and things kindly

• Refrain from ill humor and arguing

• Respect and accept judges final decision and the results with a positive attitude.

• Congratulate winners! Applaud for your children, your friends’ children, your club members, and others to express appreciation and admiration.

**Purple Ribbon** Superior quality. Usually reserved for top two or three of the group, but not limited in number given.

**Blue Ribbon** Excellent quality. Exhibit most nearly meets the standard (does not indicate perfection).

**Red Ribbon** Good; relative to pre-established standards, a few specific shortcomings have been identified.

**White Ribbon** Below average quality. Does not meet standards. Improvement needed.

**Participation Ribbons** are given when members exhibit for personal satisfaction, not to see how their exhibit compares to a standard.
2021 Grand Parade Marshal
Roy Davis

“One of the greatest gifts you can give is your time.” A shining example of this is the Grand Marshal of the 2021 Harper County Fair Parade, Roy Davis.

Roy was the third of four children born to Erwin and Bertha Davis. The Davis family lived and farmed in the Pilot Knob area of Harper County.

When Roy was one, his father founded the Harper County Piloteers 4-H Club. Roy joined the 4-H Club as soon as he was eligible. He enjoyed showing cattle and won many awards from his various projects.

In high school, Roy was an active member of FFA and served the club as an officer. He graduated from Harper High School with the class of 1963.

Roy was drafted into the United States Army and served his country in Vietnam.

In 1972, Roy married Beverly Newton of Anthony. They are the parents of Julie Dragoo, Brad Davis and Mark Davis. They are the proud grandparents to seven grandchildren.

Roy is an active member of the Harper United Methodist Church. He has served on many committees throughout the community for years and is a dedicated member of the VFW and American Legion.

Roy is retired rural mail carrier and now a part time employee of Prairie Rose Funeral Home of Harper. Roy can often be found calling numbers at Saturday night bingo as well.

For many years, Roy has been the emcee of the fair parade. He currently serves as the superintendent of the bucket calf department and has volunteered for this for many years.
