Creating a Positive Experience at the Harper County Fair

County Fair season is here. The judging process is a vital part of the county fair educational experience and the evaluation of an exhibit should be positive.

County fairs are community get-togethers that provide great opportunities for teaching youth responsibilities and decision-making skills. It also provides an opportunity for the general public to learn and gain a new respect for the many projects exhibited. It is an exciting and fun time of the year.

Let us remember that exhibiting at the county fair is a learning experience for everyone. The learning comes from the entire experience from practicing and preparation of the exhibit at home, to showing the exhibit at the fair - not just the first place ribbon.

Exhibiting good sportsmanship is not just for youth, it applies to all exhibitors, parents, grandparents, volunteers, teen leaders, fair supporters, spectators and everyone involved.

Teach your child sportsmanship. Require him/her to demonstrate sportsmanship before, during and following competitive activities.

Encourage them to:

- Learn and follow rules, be honest, fair, and straightforward in everything they say and do
- Be well mannered and show respect - treat people, animals and things kindly
- Refrain from ill humor and arguing
- Respect and accept judges final decision and the results with a positive attitude.
- Congratulate winners! Applaud for your children, your friends’ children, your club members, and others to express appreciation and admiration.

Purple Ribbon Superior quality. Usually reserved for top two or three of the group, but not limited in number given.

Blue Ribbon Excellent quality. Exhibit most nearly meets the standard (does not indicate perfection).

Red Ribbon Good; relative to pre-established standards, a few specific shortcomings have been identified.

Participation Ribbons are given when members exhibit for personal satisfaction, not to see how their exhibit compares to a standard.

2022 Grand Parade Marshal
Gary Grigsby

Gary Grigsby is a lifetime resident of Harper County and graduate of Attica High School, Class of 1963. He currently resides on his farm west of Attica, which he has called home for 53 years.

Gary is a Real Estate Broker and owns CENTURY 21 Grigsby Realty with his wife and business partner of 56 years, Rogena Grigsby. Gary has been a farmer for over 40 years. He is also an auctioneer who has volunteered his time at the fair auctions, pie auctions and school and community events. He is involved in every facet of his community.

He has served on the USD #511 Board of Education, is a member of Attica United Methodist Church and supports the Attica Rodeo each year by sponsoring a Car Show and other events. He is a sports enthusiast, supporting his alma mater, the Attica Bulldogs in everything from football and volleyball to basketball and track.

Gary has enjoyed being involved in the Harper County Fair and helping with the auctions and attending the fair events every summer. His three children were all members of the Westside 4-H Club and showed cattle and sheep, while also participating in other projects like photography and arts & crafts. Gary enjoys visiting with people at his fair booth each summer and loves to reminisce about historical events in Harper County and his family’s heritage.
