| 4-N. Club members participated in national youth leadership event  |           |               |
| such as 4-H Congress, 4-H Conference, Citizenship Washington   |           |               |
| Focus, or similar event. It does not need to be 4-H affiliated if it   |           |               |
| related to an enrolled project area.   |           |               |
| 4-O. A club member/family engaged in an international experience   |           |               |
| by serving as a host family to an IFYE or LABO delegate, or a  |           |               |
| member participated as a IFYE or LABO delegate.  |           |               |
| 4-P. The club used a buddy system or mentoring program to  |           |               |
| encourage older youth to support, assist and build relationships   |           |               |
| with younger members.  |           |               |
| 4-Q. The club conducted a "model meeting". The meeting must be   |           |               |
| planned, presented and evaluated. Meetings should be recorded,   |           |               |
| and videos submitted for evaluation at the extension office. The   |           |               |
| model meeting does not have to be entered in 4-H Day and can be  |           |               |
| submitted any time of the year.  |           |               |
| 4-R. The club included an educational activity during a meeting in   |           |               |
| addition to member project talks, illustrated talks or   |           |               |
| demonstration.   |           |               |
| Section 5: BONUS: Opportunity for five (5) bonus options to contribution Describe a unique activity that supported the mission of Kansas 4-H |           |               |
| BONUS 1:   | •         |               |
| BONUS 2:   |           |               |
| BONUS 3:   |           |               |
| BONUS 4:   |           |               |
|  |           |               |
| BONUS 5:   |           |               |
| Harper County 4-H Club Seal Confirmation   |           |               |
